

### *What's Your Political Ideology??*

Questions often arise as to what is a *liberal*? What is a *conservative*? What does it mean to support the *Left*? Or the *Right*? What does a certain political party stand for? Although positions change over time and it's never good to make generalizations about what a certain group thinks, these quizzes try to pinpoint your place on the political spectrum.

1. Do you consider yourself a liberal, conservative, or moderate?
2. What are your political hot button issues? (areas in which you have strong interests) choose at least 3
